The Fit India Movement was launched by the Honorable Prime Minister Shri Narendra Modi on 29 August 2019 at Indira Gandhi Indoor Stadium, New Delhi. During the launch function Honorable Prime Minister administered the Fitness Pledge. This event was broadcasted live by Doordarshan Channels.

All CBSE schools were advised to make arrangement for viewing & hearing this fitness launch program. Our school children also took part in this live broadcast and took the pledge "Fitness for a lifetime".

On this very day students of our school celebrated the National Sports Day and took part in various sports activities.

Green is the colour of nature. It symbolizes self- respect and well being. It also means learning, growth and harmony. On the occasion of green day, the children came dressed in green coloured outfits and brought green coloured fruits and vegetables. The entire class was decorated with green coloured activities made by the children.

On Green day the nursery children also performed a song and a dance. Some children also spoke about the colour green and its importance. As the colour green symbolizes nature, the children were sensitized about taking care of Mother Nature by growing trees. They were also asked to refrain from plucking flowers and leaves carelessly.

The students were involved in array of art and craft activities related to the colour, which they took home as a take home gifts.

Janmashtami, the birthday of Lord Krishna is celebrated with great devotion and enthusiasm in India. Sri Krishna is considered as the one of the most powerful human incarnations of the Lord Vishnu. The sole objective of Sri Krishna's birth was to free the Earth from the evil designs of demons. He played an important role in the Mahabharata and propagated the theory of Bhakti and good karma.

The celebration of Janmashtami takes place during the midnight as Sri Krishna is believed to be born on a dark, stormy and windy night to end the rule and violence of his uncle, Kansa. All over India this day is celebrated with devotional songs and dances, pujas, arti, blowing of the Conch and rocking the cradle of baby Sri Krishna.

The festival of Janmashtami was celebrated in school. The students came dressed in their traditional attires, few turned up dressed as Bal Krishna. The students of the Preparatory section depicted the birth of Lord Krishna through a skit. The children also performed dances on various songs related to Janmashtami. The parents of the Preparatory section were invited to be part such a holy festival. The highlight of the day was Dahi Handi ceremony, which the children enjoyed. All the students took home the hand made gifts.

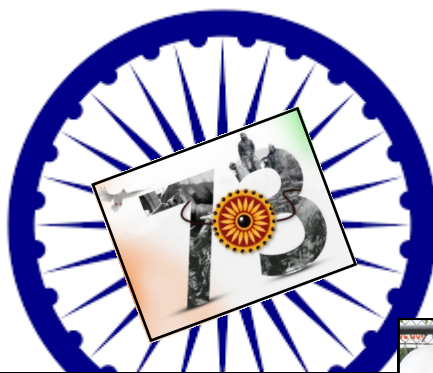

Raksha Bandhan is celebrated every year on 'Shravan Purnima' (Full Moon Day of the Hindu month of Shravan), which generally falls in the month of August. On the auspicious day of **Rakhi**, sisters wake up in the morning, take bath, offer prayers to the Almighty and visit their brothers to perform the rituals of **Rakhi**. Like every year this year also Rakshabandhan was celebrated in the Pre-Primary section with lots of joy and fun –filled activities.
