# Happy Republic Day

## *The Principal's Address*

Happy Republic Day to all.

Today's celebration marks the celebration of Self-governance.

It cuts across all religious, Linguistic regional barriers and creates a heightened fervor of Nationalism and Patriotism . We all know, Self-Governance did not come to us easy. The toil, sacrifices and the blood of our freedom fighters made it possible. They were guided by zealous love for the nation rather than personal achievements.

In present times our acts that display the spirit of Nationalism may not be of the kind of the yesterday years because the context has changed. The Hurdles have changed. We are no longer threatened by external domination but yes there are concerns – economic, political environmental and at present times the Pandemic.

For each individual, Patriotism could be the conviction that his country is superior because he was born in it. So it is you that make the difference. In fact everything that is really great and inspiring is created by The individual. It comes from within.

The nation will become what I do repeatedly day after day in a disciplined manner even if it not enjoyable easy or comfortable. My behavior is the character of the Nation.

On this momentous day let us resolve to put together our personal efforts and create a historic future for this great nation guided by the principals of the Indian Constitution.

In the words of Dr B R Ambedkar, “ The constitution is not a Lawyers document , it is the vehicle of life and it is the spirit of the age.”

With these words as the guiding principal of our lives let us visualize and manifest our dreams for our nation as a Resolute, Liberal, Accommodating and Resilient country .

JAI HIND ...

Little champs of Delhi public School Harni recently participated in the “The Pinnacle -Talent Fest “ organized by Cheviot Kids. All the kids participated have shown excellent performance and brought glory for the school.

Here is the list of participants who won prizes in the competition hosted by Cheviot kids.
