BLESSING CEREMONY

Basant Panchami, the vibrant celebration of spring and harvest, resonates in reverence for Goddess Saraswati, the bestower of wisdom, intellect, and knowledge. In our school, this auspicious festival was embraced with utmost honor and dignity, befitting the divine essence of the goddess herself.

A captivating skit unfolded, depicting the creation of Maa Saraswati by the benevolent Lord Vishnu, captivating the audience's hearts and minds. With meticulous props, harmonious background scores, and poignant dialogue, the mythological tale came alive, earning accolades for the music and art teachers who orchestrated this mesmerizing performance.

Amidst the festivities, the school seized the moment to conduct a havan ceremony, extending blessings to the class 10 and 12 students embarking on their board exams. With faith in the divine and the unwavering support of the Principal and dedicated teachers, the students set forth on their academic journey, resolute to excel and carve a niche for themselves.

As the school community stood united as a beacon of support and encouragement, the students embarked on their mission, fueled by determination and fortified by the blessings of the divine, to conquer the board exams and emerge triumphant, adorning their alma mater with the colours of success.

BLESSING CEREMONY

The day unfurled with Sar-
aswati Vandana, a heartfelt
invocation to the goddess, be-
seeching her blessings upon all
students. Following this sacred
ritual, the school choir, guided
by our music teachers, graced
the stage, enchanting the au-
dience with mellifluous melo-
dies.

BASANT PANCHAMI CELEBRATIONS

BASANT PANCHAMI ACTIVITIES

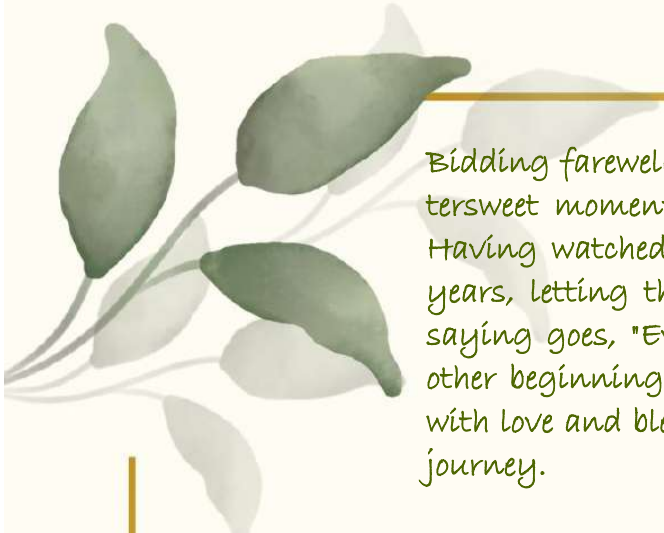

PRE-PRIMARY BASANT PANCHAMI CELEBRATION

PRE-PRIMARY: BASANT PANCHAMI CLASS ACTIVITY

ADIEU CLASS XII

Bidding farewell to the graduating class of 12 is a bittersweet moment, filled with both sadness and pride. Having watched these students grow from their early years, letting them go is never easy. However, as the saying goes, "Every new beginning comes from some other beginning's end," it's essential to send them off with love and blessings as they embark on their future journey.

The Farewell event for the 2023-24 batch took place on February 3rd at the school. The boys looked dashing in their well-tailored suits, while the girls adorned elegant sarees, creating an ethereal atmosphere. The auditorium was adorned with personalized notes for each student, meticulously crafted to convey heartfelt messages.

As the students entered the hall, they were greeted with a TULSI sapling and a TILAK, symbolizing blessings and auspiciousness. The tilak, a potent symbol in Hindu culture, is believed to enhance spiritual awareness and provide protection. Similarly, the tulsí plant is known for its positive energy, calming properties, and connection to the divine.

The cultural program began with the ceremonial lighting of the lamp, followed by captivating performances by the class XI students, which heightened the celebratory mood. The video "WALKING THE MEMORY LANE" provided a nostalgic glimpse into the students' school life, evoking emotions and memories.

A skit performed by students and teachers showcased the mischievous and fun moments shared in school, adding laughter and fond memories to the evening. The highlight of the event was the passing of the legacy from the graduating seniors to the incoming juniors. As the juniors lit their candles from the seniors' candles, they pledged to uphold the school's honor and values.

The evening concluded with a mouth-watering dinner, adding a touch of culinary delight to the festivities. Additionally, students were presented with shawls as tokens of remembrance from their alma mater, symbolizing warmth and nostalgia as they take their first step into the wide world.

ONE DAY PICNIC

Picnics hold a cherished place in the hearts of students, offering a break from the rigors of academics and a chance to create lasting memories. This year, the students from classes I to XI embarked on an exciting journey to Camp Unity (VI TO XI), Vananchal (IV) and Moti Farm (I,II,III,V) for their much-anticipated picnic.

Upon arrival, they were greeted with a delightful spread of breakfast, setting the tone for a day filled with adventure and camaraderie. The students were divided into two groups, each embarking on a unique exploration of the surroundings.

One group ventured into the lush greenery, trekking along village paths, soaking in the serenity of nature. Meanwhile, the other group embarked on adrenaline-pumping adventures, navigating rope ways under the watchful eye of experienced guides, ensuring both safety and exhilaration.

In addition to these thrilling activities, the students immersed themselves in the art of pottery and were mesmerized by a captivating magic show, adding an extra layer of enchantment to the day's festivities. The rustic charm of a tractor ride offered a glimpse into village life, further enriching their experience.

Amidst all the excitement, a lavish lunch awaited, satisfying their hunger and providing a moment of respite to reflect on the day's adventures. Every moment was carefully captured on camera, ensuring that the memories created would be cherished for years to come.

Indeed, the purpose of the picnic was more than fulfilled, as students revelled in the joy of exploration and adventure, forging bonds that would last a lifetime.

Achievement

Vardaan Srivastava of class XII A has been selected as the state topper in the National Standard Examination in Physics conducted by the Indian Association Of Physics Teachers .

THE LAST DAY OF THE SCHOOL

*Eyes with tears
It's the end of the year
I will be missing this class
Because it is the last
The fun and enjoyment we
had together
I will remember it forever
We are the best, we said it
together
And will remain the best
forever
I will remember each day
It's time to say Good Bye
with tears in my eyes.*
