# Children's Day

*Children's Day is celebrated across India to raise awareness about the rights, education, and welfare of children. It is celebrated on 14 November every year on the birthday of the First Prime Minister of India, Pandit Jawaharlal Nehru, who was known to have been fond of children.*

*Pandit Nehru said that "The children of today will make the India of tomorrow. The way they bring them up will determine the future of the country". So, this Children's day let's take a pledge to ensure that every child in this country enjoys equal rights, safety, and quality education.*

SAHODAYA

EXHIBITION

Under the guidance of CBSE 28<sup>th</sup> National Annual Conference of Sahodaya School Complexes 2022 was held in collaboration with Gayan Sarovar on 18<sup>th</sup> and 19<sup>th</sup> November 2022 in Vadodara. From all over India several schools participated in the exhibition including our school Delhi Public School Harni.

The main theme was Reinventing Education for 2030 and beyond. The objective of the conference was to sensitize School Leaders with the changes required in the designing of curriculum and pedagogy and equip for the next generation education system.

The school displayed a variety of lesson plans, photographs and videos of the activities. A plethora of work done by students were put up for the visitors to see. Students explained the activities done in class and shared their experiences of story based learning and flipped classrooms.

A lot of visitors not only appreciated the concept of teaching through Flipped Classroom but also showed keen interest in integrating the same in their own teaching process. Overall, it was a great learning experience.

## FINANCIAL LITERACY AND USE OF DIGITAL TOOLS

Being the Lead Collaborator, Delhi Public School Harni organized a session on 'Financial literacy and use of digital tools' programme by inviting all the schools included in its learning Hub .It was held on 22/11/22, Tuesday from 2.30- 4.30 p.m in the seminar room of DPS Harni.In addition to the teachers of DPS Harni, teachers from hub schools, Shaishav School, Atmiya Vidhyalay, Chinmay International School, Amicus International School, and Shannen School attended the session

The resource person was Mr. Ajay Shah, who is an expert in handling the assignments of fund management, tax planning, setting up of internal fund compliance system and advisor for investment strategies. He has been satisfactorily and successfully teaching CA, CS and CWA students.

Teachers were given basic idea of various investment plans like Mutual funds, Systematic investment plans, Life insurance plan etc. which can help the teachers to have a better financial status after retirement. At the end, there was an interactive session wherein questions were asked by the audience.

It was a very fruitful session and teachers should be able to apply the information shared for a smart investment planning in future.

# CAPACITY BUILDING PROGRAMME ON PHYSICS

A Capacity building programme on Physics was hosted by Delhi Public School Harni on 25<sup>th</sup> and 26<sup>th</sup> of November 2022. This was a workshop organized by CBSE (CoE Ajmer) Schools coming under CBSE Ajmer.

They also participated in activities like board games, puzzles and puppetry to enrich knowledge and develop skills while at the same time learning about the rich cultural and archeological mastery that exists.*

## Masterpiece

Life of black and white  
Just made me blue  
Then a palette of colours  
Splashed its way through  
And painted me with Colours i never knew  
I struggled to see the painter  
Who that was  
But when I reached for the hand  
I just held my own  
It was me all along  
Who stood up for me, made  
Myself a masterpiece for the world  
To see

## Ashes Like Frost

The agarwood ember flickered wearily,  
the dust of the scattered to the wind.  
My heart was broken in my previous life,  
and my forlornness shall part with the wind.  
The road of heaven and earth is long and the ripples enter my eyes,  
Seeing you transform into sheets of frost flowers that evaporated  
away,  
Record the rise and fall of a thousand year.  
People come and go, in the end, to only be replaced,  
The wind and thick rain make the night freezing cold.  
The sky lanterns shine as they rise, they meet, then leave,  
One encounter is enough.
