FOUNDATION DAY

24 April, 2023 marked the 18TH FOUNDATION DAY of DELHI PUBLIC SCHOOL HARNI. The school has come a long way carving a niche' for itself in every field , be it the academics, co curricular activities or sports.

In order to commemorate the journey and the laurels achieved, the day was celebrated with a special assembly followed by a gamut of activities and an ice cream treat.

DPSH is not just a school but an experience. It's not simply the infrastructure but the emotional connect of the students with this institution that fortifies the very fabric of the teaching-learning process. The gratitude and the pride that students feel for the school has very well been expressed in a verse , which is as follows :

On this day, Foundation Day,
In our hearts does gratitude lay.
And in our eyes, a vision does shine
Of a future bright and benign.

Now we know we have miles to go,
So many more seeds left to sow...
But today we gather here to commemorate
The foundation stone that once was laid

The ground was razed, a legacy was born
The lamp of knowledge brought a new morn'
The dream and hope to build a generation
Trustee Ma'am, Pro Vice Chairman Sir, you are our inspiration!

The fire kindles a flame in our hearts,
The sacred lamp of knowledge does impart.
An alliance of the values of humankind,
A sense of duty, and a peaceful mind.

Humility must be the product of education
We must give back to our school and our nation
Humanity and tolerance should be our call
Let's rise to this charge, one and all!

On this day, Foundation Day
Let us remember where our roots lay
For it is only by the strength of the roots,
That a great oak can stand strong in all pursuits.
