INDEPENDENCE DAY CELEBRATION

INDEPENDENCE DAY CELEBRATION

The Independence Day was celebrated with great enthusiasm and patriotic fervor in the school to mark the 76th year of freedom from the British rule.

To commemorate this red letter day, a special programme was organized, which commenced with the flag hoisting by the Principal Ms. Deepali Sekhon. This was followed by a musical rendition by the students of the Primary wing. Students of classes VI – VIII performed a scintillating dance which awakened everyone's feelings towards the motherland. Udit Rai of class VIII D presented a recitation on HAMARA TIRANGA. Swarnadeep Hazra of class X D presented a speech on how Independence Day has become yet another holiday and the need to change this attitude. The foot tapping dance performed by the Senior KG children to the medley stole the show.

Indeed, it was a day of joy, a day to love and respect for our country and a day to reflect on our actions to make our country a better place to live.

The Principal addressed the gathering appealing to the nationalistic spirit and urging students to take pride in being an Indian and fulfilling one's duty with responsibility. She also emphasized the role of youth today as the true wealth of a country.

DENTAL CHECK UP

Periodic dental health check-ups are very important for a good oral hygiene. A Dental Health Check-Up was conducted by the Dentist Dr. Sachí Shastri, for the students of classes Pre Primary to class VII in Delhi Public School Harni. The checkup was held on 01-08-2023 to 04-08-2023. She spoke to the students about the importance of oral and dental care and explained in details about the root cause of the dental and oral health problems.

Detail Dental reports were shared with the parents for follow up action.

One Child, One Plant Campaign

The CBSE proposed a massive tree plantation campaign called 'CBSE - One Child, One Plant Campaign' in all the schools from 29th July 2023 to 28th August 2023 to commemorate the 3rd anniversary of the National Education Policy (NEP) 2020.

Students of Delhi Public school Harni also participated in the sensitization campaign and planted many sapling in their home, and surrounding areas. Many activities were conducted in classroom to create awareness among the students for environment protection. Planting saplings in a plastic bottle (best out of waste), Twig photo frame etc. Discussions and presentations too were planned to spread the same message.

TREE PLANTATION

SENIOR SECONDARY SECTION

In the month of August 2023 CATALYST DPSH re-launched the Prerna Campaign with the motive to contribute towards the Sustainable Development Goal 15 of United Nations, on our level, under which we conducted a Tree Plantation drive in our school because change begins from home & DPS Harni is a Second Home to us. We felt immensely grateful to have the support of our Principal Mam & Teachers who have been our mentors in this journey of bringing a change. Here's urging everyone in school to show support to CATALYST DPSH.

ANAND ASHRAM-NGO VISIT

“Kindness is the universal language that bridges gaps ignites hope and brings life to the lives of those we touch through our acts of service”.

Delhi Public School has prepared an internship program in collaboration with Anand Ashram to inculcate the spirit of service among the students studying in the school. We are happy to inform that 30 students of Delhi Public School Harni and some parents showed interest and gave their consent to be a part of social service activities.

Managing Trustee of Anand Ashram K.S. Chhabra said declining values of the modern age also include the sense of service. A laudable effort to create awareness among the youth towards this spirit.

We are thrilled to share with you recent experiences and activities that have been making a positive impact on others. We extend our heartfelt appreciation to Anand Ashram organisation for opening their doors towards us and allowing us to be a part of their mission.

In the course of this month there have been many activities conducted that were for the betterment of the society in which students of XI and XII participated.

Senior Citizen Spiritual Seva :

The students had the privilege of interacting with the elderly residents spending quality time that meant the world to all of residents as well as students. We tried to create a bright atmosphere by singing and dancing with elderly people creating a sense of nostalgia and amardesie.

Vastradaan :

In Continuous efforts to provide for those in need a cloth donation drive was held in the slum areas on the distribution day, slum and handed out clothing items to families over in dairy need the gratitude received was overwhelming. The contribution from the Anand Ashram team and the students has helped create moments of happiness and warmth.

SOCIAL SCIENCE WEEK 2023-24

(28th July 2023 to 3rd August 2023)

Education is not only about learning of facts but training of minds to think differently and independently. To make learning a joyous experience, [Social Science Week](#) was observed in the month of July and August. The theme of the Social Science Week was 'Vasudhaiva Kutumbkam' One Earth One Family One Future.

Vasudhaiva Kutumbakam's philosophy encourages harmony, dignity, and accountability and has the capacity to improve the world through advancing sustainability, understanding, and peace. By embracing this concept, we can work towards creating a better, more inclusive and harmonious world for all.

To inculcate these values, different activities were conducted during the week. The classroom became a hive of active learning with ardent students participating in variegated activities.

CLASSES	ACTIVITIES
III	Rakhi making with millets
IV	Unleash your inner musician
V	Sustainable Dining-use of leaf bowl and plate
VI	Making of Ayurvedic products
VII	Model Making of indigenous games
VIII	Making of leaf bowl and plate
IX	Mock G20 Session
X	Advertisement making of Indian Products
XI	Power Point Presentation on the topic India as a world leader
XII	Power Point Presentation on the topic India as a world leader

⇒ The opening of the Social Science week was done in the morning assembly conducted by the students of Primary Section. First of all, lighting of the lamp and Morning Prayer was done to take the blessings of Almighty. The Children were dressed up in the attire of different continents and joined hands together to make the world and represented the idea of one earth, one future. Children of primary section represented India's contribution to the whole world in different fields through their beautiful performances. Ms. Deepali Shekhon, Principal D.P.S Harni addressed the gathering.

⇒ Students from Primary section actively participated in making of Rakhi and musical instruments. They also enthusiastically created leaf plates and bowls during the activities

- ⇒ Students of class VI took part in the Making of Ayurvedic products and learnt how Ayurveda encourages certain lifestyle interventions and natural therapies to regain a balance between the body, mind, spirit, and the environment.

- ⇒ Students of class VII participated in the Model Making of indigenous games. They learnt how traditional indigenous games not only taught valuable skills but also combined mental and physical well-being. Children also learnt social skills because most of these games were played in a group.

- ⇒ Students of class VIII took part in the Making of leaf bowl and plate. They understood numerous **health and spiritual benefits** of eating on a leaf. It is also a sustainable and ecofriendly system.

- ⇒ Students of class IX participated in Mock G20 summit, there were twenty students chosen as delegates for 20 different countries. They expressed their views and discussed on a variety of global issues. The topics given to the countries were relevant and realistic.

- ⇒ Students of class X participated in advertisement making of Indian products. They showcased special products of Jammu Kashmir.

- ⇒ Students of the Senior Secondary Section organized the school assembly wherein they presented an enlightening poem and gave a spellbinding dance performance to convey the message of unity and oneness.

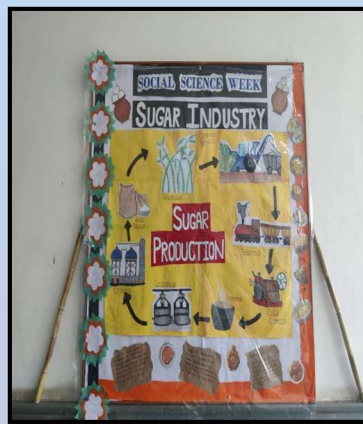

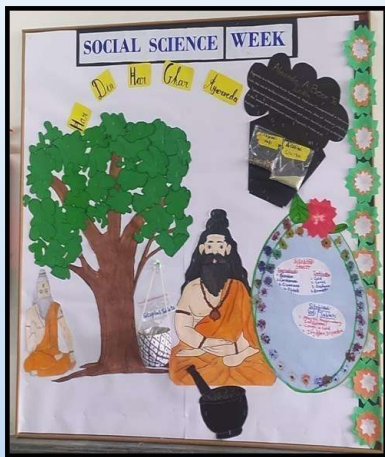

- ⇒ Students of class XI and XII participated in Power Point Presentation on the topic 'India as a world leader.' They analysed how the power dynamics of nation-states around the world have undergone a sea change in the twenty-first century with regard to foreign policy and other governance aspects. Today, the world is interconnected and interdependent on each other for their growth and development. Within this shifting global landscape, India has the opportunity to put in place a new framework for its own and that of developing countries around the world.

- ⇒ Student also engaged themselves in active demonstration of ancient Indian game 'Moksha Patam' on which the modern-day Snakes and Ladder game is based on. Moksha Patam was a board game used by religious leaders to teach the differences between good and evil - climbing up the ladders representing good and sliding down the snakes representing evil.

⇒ Children of all classes participated in the class board decoration according to theme.

SCIENCE WEEK

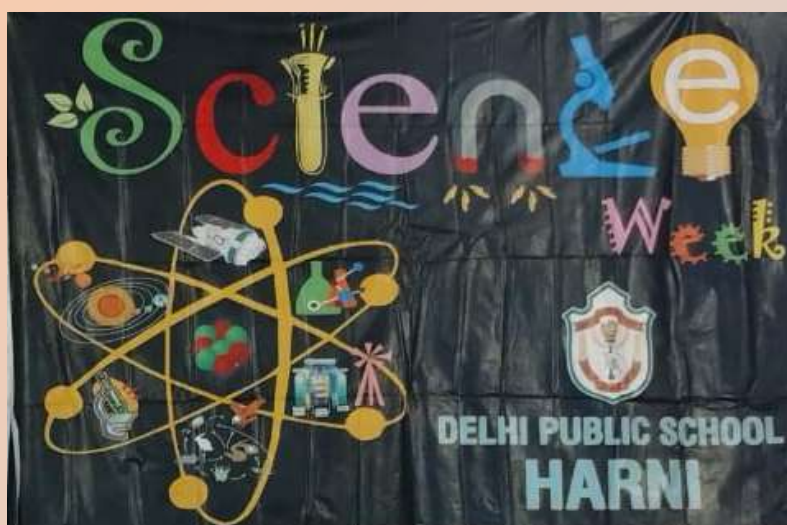

(28th July 2023 to 4th August 2023)

DPS HARNI celebrated Science week in the month July 2023-24. Vasudeva Kutumbakam affirms the worth of all life-human, animal and plants, and value of their interconnectedness on Earth and in the Universe. By embracing this concept, we can work towards creating a better, more inclusive and harmonious world for all.

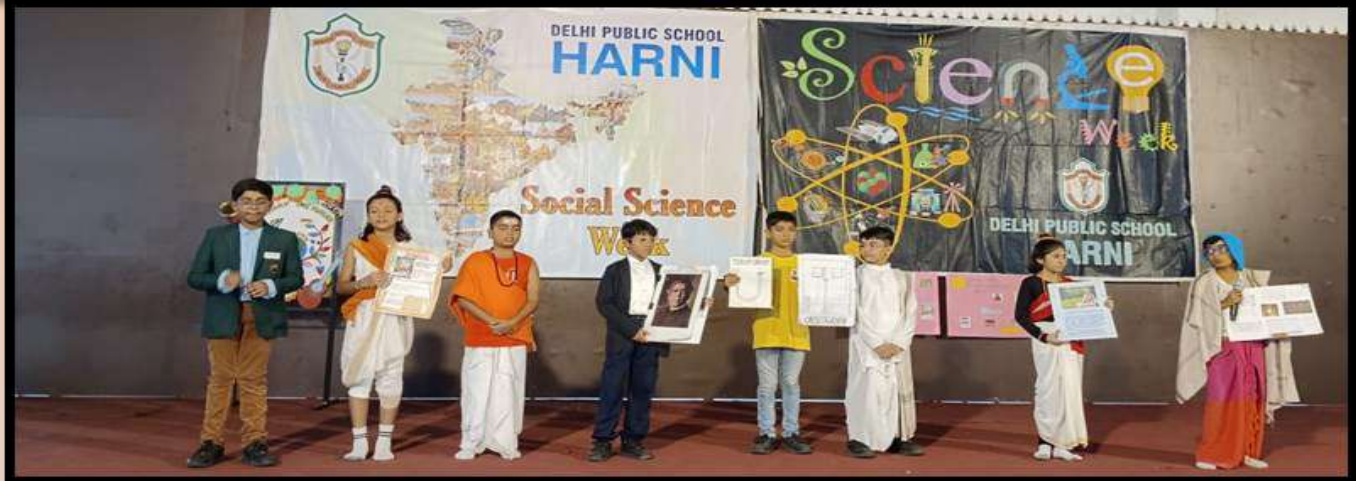

We believe that the true essence of learning is when the philosophy seamlessly integrates with the lives of learner, powering their interpretation of everything that goes around them by constantly relating to their environment.

A number of programs were organized to highlight the importance of science in our daily life and also usher in the scientific temperament in the students. The programs included wide range of activities like Model making, Poster making, Collage making etc.

The list of the activities that were conducted were as follows:

Classes	Activities
I	Collage Making on Usefulness of Plants
II	Poster Making of Magical Healing Plants
III	Collage Making of Birds
IV	2D Poster Making on Renewable Sources of Energy
V	Enactment of Indian Scientists and their Contribution
VI	Herbarium Brochure
VII	Science Behind Yoga
VIII	Unfolding the Unsung Heroes
IX	Representation of Scientific Principle
X	Brochure making
XI	Quiz
XII	Quiz

Science week Assembly was also conducted by the students of Secondary section with a lot of zeal and enthusiasm. Students of Classes VI - VIII presented a short play to depict the contribution of Indian scientist at global level presenting the role of India as "Viswaguru". The fight Indian scientists and doctors during the Covid-19 pandemic was also touched up in the play which finally concluded with a dance performance of the stu-

CLASS I (USEFULNESS OF PLANTS)

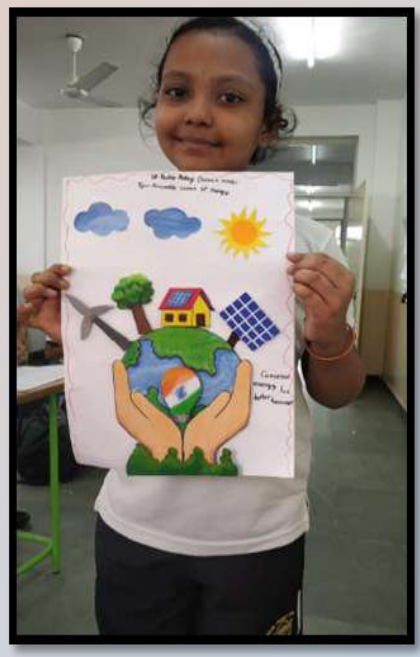

CLASS II (POSTER MAKING ON HEALING PLANTS)

CLASS III (COLLAGE MAKING OF BIRDS)

ACHIEVEMENTS

SilverZone Foundation aims to prepare students for the challenges of the 21st century and equip them with the skills and knowledge needed to succeed in an increasingly competitive world.

We have Pratyaksh Raj of class 4 E who had participated in the competition and made us all proud by securing 7 Gold medals.

HLCC MUN ...3 days event organized at HL College of Commerce.

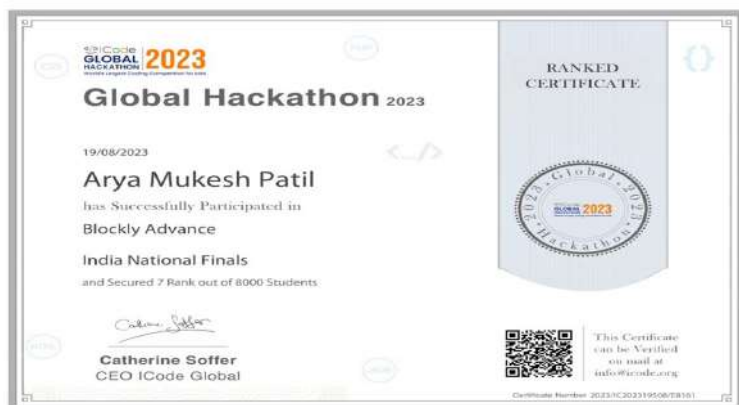

Ahana Dave of V-C received two Awards:
1. Best Candidate + Cheque of Rs 3000
2. Special Mention certificate.

Delhi Public School Harni Students participated in several competitions organized by **Navrachana Vidyani Vidyalaya** on 25 August 2023.

Swara Mukkawar and Pavani Razdan secured First position in competition Live Gazette

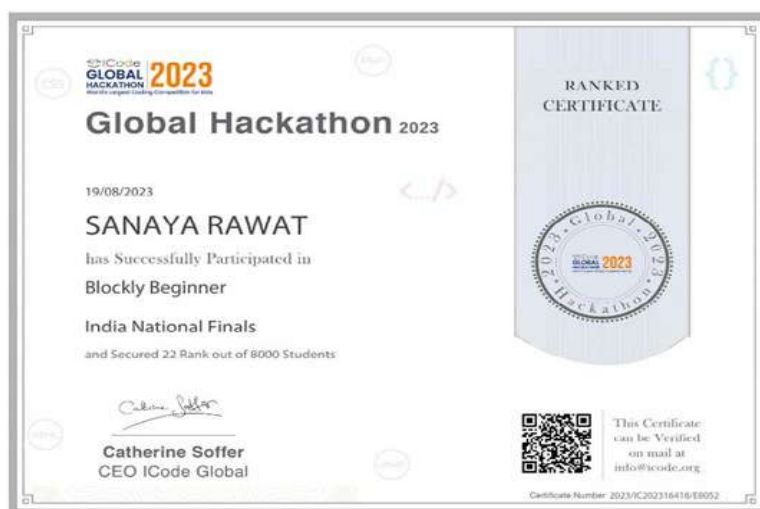

Pooja Sharma Mam Secured third position in competition Kavyanjali.

Arya Mukesh Patil secured Rank 7 out of 8000 students in Global Hackathon, India National Final, conducted on 19 August 2023.

Sanaya Rawat secured Rank 22 out of 8000 students in Global Hackathon, India National Final, conducted on 19 August 2023.

Aliza Imran Class 3A in Global Hackathon(coding) Competition held on 19.08.23
Secured 84 rank out of 8000 students.

The Indian Association of Physics Teachers (IAPT) is an organisation which works to promote scientific temper with focus on improvement of quality of physics education at all levels.

To achieve their objective, every year they conduct various National and International Olympiads.

Vardaan Srivastava of Class XII A was placed among Centre top 10% of 125 candidates in the National Standard Examination in Astronomy (NSEA-2022) conducted by the IAPT in November 2022.

ROCKETRY

After successful launching of Chandrayan 3 by India, DPS Har-
ni celebrated this memorable mo-
ment by inculcating scientific
temper among the students
through Model Rocketry Workshop.

In this Model Rocketry Workshop,
students of Class IX enthusiastically
participated and prepared
"Rocket Models" in teams.

Through this project the students
learnt several principles of Physics
used in functioning of the Rocket.

The students of class II to X were
also present to view the presentation
of Rocket launching. When the
teams launched their rockets on the
school ground the atmosphere creat-
ed was full of excitement.

FIELD TRIPS

TRIP TO SUN PHARMA R&D SECTION

Classes XI and XII had the opportunity to visit the R&D section of THE SUN PHARMA PHARMACEUTICAL COMPANY. During their 3 hour visit they were briefed about the inspirational story about how a small one- room medicine manufacturing company became one of the leading pharmaceutical companies over the years . Following that the students were taken on a guided tour of the entire R&D section where they learnt the process behind manufacturing a medicine. They witnessed the scientists working on formulae, the grinding , mixing and shaping of a medicine. The students went around the tablet, capsule, effervescence and even the liquid medicine

sections. They saw how the temperature is regulated according to the medicine type, the machineries required for the entire process to happen.

It was a great learning experience for all the students.

TRIP TO BARODA DAIRY

Students from VI to X visited Baroda Dairy .It was a sound learning experience as the students imbibed the details of the chain of processes implemented by the dairy industry. The students gained a rich exposure from the cooperative and patient staff of the dairy who explained the entire functioning of the industry right from the procurement of raw materials, weighing, quality checks, production, packaging and dispatch.

Students were pleasantly surprised to see the large quantity of milk and milk products available there. They were fascinated to see such a huge production house with mammoth machines. This visit will certainly help them in becoming lifelong learners.

RAKSHABANDHAN CELEBRATION

Breeze

Where goes the breeze?

On top of the trees

Going to the south is that I can see

Where goes the breeze?

Over the countries

Going to the west is that I can see

Where goes the breeze?

Over the seas

Going to the north is that I can see

Where goes the breeze?

To make us please

Going to the east is that I can see

Where goes the breeze?

To spread love and bliss

Tisha Jayswal (Class 3F)

GONE ARE THE DAYS

**Gone are the days..
When adults force me to sleep at 10,
Shouting 'Taxes' till 12.**

**I watch, 16 turning 17,
My mother says 'sleep' with no heat underneath.**

**My brother is 13,
Well beaneath 18,
He goes to summer camps and wears birthday caps.**

**I envy the innocence
Despite just losing it**

**3 am, at night
Deep, in my own mind
I watch everyone sleep soundly
Weird age to be
I look at the world fondly,
With curiosity
And with uncontainable rage
Dying to bring change
Fire burns beneath my skin
All consuming,
It does not forgive**

**They say it will die
With a strong gust of wind
This maddening hunger
Does not carry over 18**

**My biggest fear,
Such a casualty
"You grow up,
You lose the spirit"**

**"Be selfish,
Kindness brings no wins"**

**I would hate to be 30
Writing about my 20s
"When did I stop believing?"**

**The child in me
Does not know of grief
The person I am--
It's not filled with it**

**A rebel, you see,
I burn it to strengthen me
But with bound limbs and choked lips
Staring eyes and overwhelmed ears**

**I can only wish,
And I wish**

**Let me be a little kid
Unware of grief
Or as Nerdua said--
Let the moon reside
On the lining of my skin.**

By Mitali Deshmukh (class 12 A)
