The Principal's Address

What better day to say Thank you. Thank you for being a part of our lives and sharing the most beautiful phase of your lives with us - YOUR CHILDHOOD.

Children are God's most beautiful creations. Dear Children, your touch, your voice, your mere presence is uplifting, soulful and fulfilling. That is your Midas touch. You reinvent the world for us.

Children can become our greatest teachers when we as adults become humble to receive their lessons.

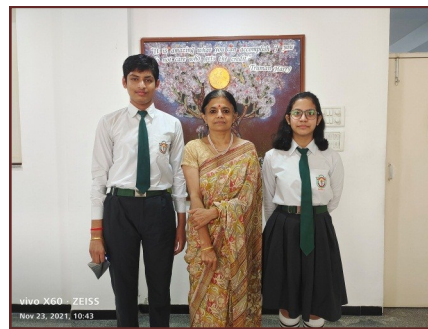

These past two years has made this even more evident the school without all of you is like a body without a soul. Whenever we begin to plan a celebration or an event, the second thought that comes around is- but the children are not going to be there, and the enthusiasm withers. But all the same everyone at DPS HARNI every day tries very hard to keep the spirit of teaching and celebrations vibrant and alive even through the online mode.

Some, of our students have begun to come to school every day as a matter of their personal choice because they feel that that the school environment, the class room helps them to focus better. With this normalcy has begun to set in. We look forward to your noise and chatter, your playfulness and mischief your presence in school , the play field and the corridors .

Take care

God bless you all .

Inter School Competition

Delhi Public School Harni secured first position in an Interschool quiz competition organized by Anandalaya School of Anand on 23-11-2021 on the occasion of celebrating 75 Azadi ka amrit mahotsav. 82 prestigious schools from all over India took part in this mega event. The theme of the quiz competition was Life and Works of Freedom Fighters. The quiz was conducted in three rounds: Preliminary round, Semi-Final round and the final round. Two students of class IX, Ananya Thakur and Divyansh Singh put tremendous efforts and made the school to lead with 500 points. Some scale of victory to reckon with.

Diwali Celebration & Pooja

The celebration of Diwali, came alive at Delhi Public School Harni when the whole school wore a festive look with decorations while the school staff gathered in the reception area for pooja and celebration. Teachers performed folk dances followed by games and distribution of sweets.

The dance and music performances, vivaciously, captured the joyous feelings.

As the fun-filled day came to an end, the Teachers left for a festive break with a heart full of happiness and excitement.
