HAPPY TEACHER'S DAY

“ Education is the most powerful weapon which you can use to change the world”.

At DPS Harni, the spirit of gratitude and admiration filled the air as students came together to celebrate Teachers' Day, a heartfelt tribute to the unwavering dedication of their teachers. The essence of this celebration lays in expressing genuine thanks, and it was evident throughout the event. A special assembly served as the centerpiece of the day, where students eloquently delivered heartfelt speeches, presented moving skits, and showcased their rhythmic prowess through enchanting dances. However, it was the little things that made the occasion truly touching. The personalised handmade cards and accessories crafted by the students were nothing short of overwhelming in their sincerity and thoughtfulness.

Principal Ma'am, in her address, emphasized the pivotal role teachers play in shaping the future of each child. She urged them to continue their noble duty with unwavering dedication, love, and support, for it is within their capable hands to mould young minds into happy, contented, compassionate, and knowledgeable individuals.

These personalized gestures created a profound bond between teachers and students, turning the day into an unforgettable and genuinely special celebration, where appreciation flowed freely, and the importance of education was celebrated with passion and sincerity.

SENSITIZATION PROGRAMME

FINANCIAL LITERACY & USE OF DIGITAL TOOLS BY CBSE

CBSE is encouraging female educators to become knowledgeable about financial matters and learn how to manage their money wisely. In India, usually, men handle financial responsibilities within families. The keynote speaker for the event was Ms. Prarthana Dave, the founder of NV Financial Academy, who has 20 years of experience in the mutual funds sector. The workshop aimed to empower women to invest their money wisely through methods like mutual funds, investing in gold, real estate, and stocks.

This workshop was designed to spark women's interest in taking control of their own earnings and growing their money. The goal is to help them easily achieve their financial plans, including savings for retirement and pension.

The workshop was a part of SKILL EDUCATION and qualified as a HUB ACTIVITY and was attended by the schools of the hub. All the participating teachers earned a certificate from CBSE.

SENSITIZATION PROGRAMME

STRESS MANAGEMENT SEMINAR

CLASS XI

Undoubtedly, school life can be incredibly stressful. Balancing daily studies, homework, tests, and projects can leave students feeling overwhelmed, and the pressure from parents to excel only adds to the stress. That's why it's crucial to guide students on how to manage this stress effectively.

At DPS Harni, a counseling session on "Stress Management" was held for Class XI students on August 23, 2023. Dr. Dhara Bhatt, a globally renowned pyramid energy healer, bestselling author, and clairvoyant, led the session. The primary goal was to equip students with various techniques and psychotherapies to better handle stress, especially chronic stress, and improve their overall mental and physical well-being.

Dr. Bhatt demonstrated several stress-management techniques, such as the DHM Technique, Baoding balls, the Air Walk exercise, and DNA Activation Meditation. She stressed the importance of proper sleep, exercise, meditation, and open communication in managing stress effectively. Dr. Bhatt explained that stress is the body's natural response to physical or mental demands and illustrated how these techniques empower individuals to confront such challenges head-on.

The session turned out to be a valuable and enlightening experience for all the students, providing them with tools to navigate the pressures of academic life and beyond.

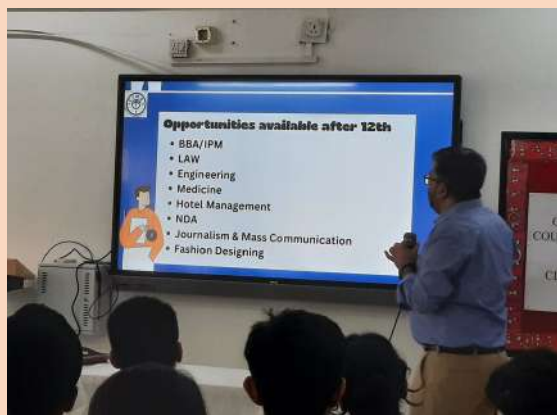

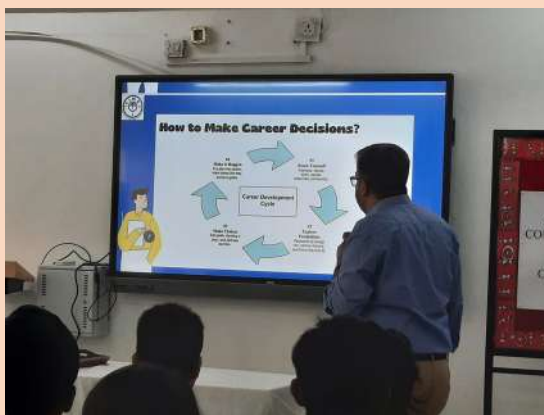

CAREER COUNSELLING FOR CLASS XI & XII STUDENTS

The commerce and humanities students at DPSH recently took part in a career counselling session led by Mr. Prateek Rai from the Baroda Times.

Many young people often aren't aware of the wide range of career opportunities available today and tend to gravitate towards the more commonly known paths like management, BBA, or law. That's why proper career counselling is crucial—to introduce students to the vast array of career possibilities open to them.

During this informative two-hour session, students were apprised of a variety of career options within the humanities and commerce streams. They learned about the qualifications needed for entrance exams, discovered colleges that aligned with their chosen subjects, and even got a glimpse into the associated fee structures.

This workshop was particularly beneficial for class XII students who are on the cusp of their next phase, helping them make informed decisions about their future paths.

NCC CAMP

2 GUJARAT NAVAL UNIT NCC, VADODARA

Session 2023-24

NCC CATC CAMP—RAJPIPLA

Delhi Public School Harni is happy to share the victories, learning experiences and joyous moments of NCC CATC (Combined Annual Training Camp) of class IX batch 2023-24 held at Rajpipla, Gujarat from 12th to 20th September 2023.
