# *Preparatory Graduation*

*"Graduation is an exciting time. It is both the completion and commencement. It is warm memories of the past and big dreams for the future".*

*The much awaited Preparatory Graduation Ceremony was celebrated with great zeal and fun on 15.04.2024 in the School Auditorium. The most important part of Graduation Ceremony began with the smart and tiny tots of Preparatory adorned in graduation robes walking on to the stage. Their smiling faces were welcomed by rapturous applause from the audience. The Preparatory graduates were awarded with Graduation certificates. The Graduation Oath was followed by the song by kids. The students left the audience spell bound with their vibrant performances. The Chief Guest addressed the gathering by his invigorating words and enlightened the audience. It was indeed a joyous and memorable day for the little ones as they received their Graduation Certificates.*

# Class V Graduation

*Graduation signifies not just the completion of an academic phase, but also the commencement of a new journey. At DPSH, the Graduation Day for Class V students on March 19, 2024, marked a significant milestone as they transitioned from primary to secondary education.*

*The event was divided into two slots, with each class participating in a dedicated session. Esteemed guests, Ms. Paras Mahendru, Preschool Director & Education Consultant, and Ms. Subha Pandey, Writer & Academician, graced the occasion, adding prestige to the ceremony.*

*The program commenced with the melodious strains of Ganesh Vandana, followed by a captivating semi-classical dance performed by talented students from Class 4. Class V students showcased their artistic flair with a heartfelt song and dance performance on 'If You Believe,' and a Thank you song expressing gratitude to their teachers and parents.*

*As the ceremony drew to a close, Class V teachers symbolically handed over their students to the Class VI teachers, signifying the beginning of a new academic chapter. The event culminated with overwhelming applause from parents, reflecting the success and significance of the occasion.*

## **Orientation New Admission Academic Session 2024-25**

Orientation programmes play a vital role in bridging the gap between parents and schools, ensuring a collaborative approach towards the holistic development of children. While enrolling children in prestigious schools is a significant step, active parental involvement is equally crucial for their growth.

During the orientation, parents are guided through school processes, including curriculum, examinations, house competitions, and celebrations through interactive audio-visual presentations. This interactive platform not only informs parents about the school's systems but also encourages them to voice their opinions and concerns.

Furthermore, parent orientation programmes serve as avenues for introducing new initiatives and developments within the school, ensuring that parents are well-informed and actively involved in their child's educational journey.

Recently, on Saturday, 23rd March 2024, an orientation programme for the parents of newly admitted students was organised in the Seminar Room of the Pre-Primary block. The session included informative presentations and interactive discussions to address the queries or clarifications parents may have had. Through such initiatives, the school aims to foster a strong partnership between parents and the school, ultimately enhancing the overall educational experience for the students.

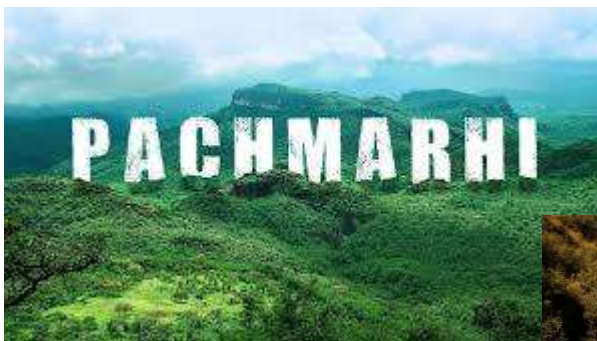

## TRIP TO PACHMARHI & SHIMLA

School group tours provide both students and teachers with an enjoyable and highly memorable experience while offering valuable opportunities for students to expand their tacit knowledge, which is crucial for higher-level learning and problem-solving skills. These experiences have a lasting impact as students take the lessons learned back into their everyday lives, influencing them for months and years to come. Such trips prepare students for the future, emphasizing problem-solving skills and soft skills, fostering experiential learning, expanding students worldview, strengthening the bonds between students and teachers, and immersing students in local cultures. These experiences encourage lifelong learning and create cherished memories.

With these goals in mind, DPSH organized a trip Pachmarhi and Hail Himalayas Resort, Chail near Shimla.

The trip brought joy to both students and teachers, leaving them with cherished memories that will be treasured for years to come. It was an experience that not only offered a break from routine but also valuable

life lessons and a deeper appreciation for nature and culture.

## CHAIL, SHIMLA TRIP

# UNITY IN DIVERSITY

Our India, full of diversity  
So many ideas and creativity  
Different languages, clothes and food  
Different religions, castes and mood

Only unity, not enough  
Without diversity, it is very tough  
A great opportunity in our country  
It is going to be momentary

Jawaharlal Nehru coined a phrase in his book  
You must all take a look  
Unity and diversity is its name  
Unity people is its game ...
