Mathematics Week 2023-24

5 to 11 July 2023

Math is not about numbers, equations, computations or algorithms: it is about understanding'. With an aim to create an interactive and interesting learning of Mathematics, recently Delhi Public School Harni, Vadodara organized 'Math's Week' from 5th July 23 to 11th July 23 in which many classes completed extra Math's games, trails and activities. They really enjoyed discovering interesting facts and sharing them with the class.

Our primary students presented a spectacular dance performance based on numbers and geometrical shapes.

Class 7th students performed a skit based on Akbar and Birbal educating students about fractions.

Class 9th students presented a phenomenal dance performance that consists of symbols, patterns, the timing of the rhythm, which are mathematical concepts performed in reality. Integrating dance and Mathematics made learning more interactive and fun for students. The school was decorated with the art work integrated with mathematics made by students of different classes. To appreciate young math buddies the winners of the events from each section of all classes were given certificates.

The event was successful in intriguing the students about the exciting world that is Mathematics.

The list of the activities conducted during the week are as follows :

Classes	Name of Activities
I	Addition Flower
II	Subtraction Fish
III	Number Cloud
IV	Fraction Kite
V	Tarsia Puzzle
VI	Crack the Code Puzzle
VII	Mondrian Art
VIII	Tri Jigsaw Puzzle
IX	Kakuro Puzzle
X	Ken Ken Puzzle
XI	Creativity in Mathematics (Story/Songs/Model/PPT)
XII	Logical Riddles

The Reception was beautifully decorated with the projects presented by our students.

All the activities were given on spot and were guided by their teachers. Few glimpses of the activities are :

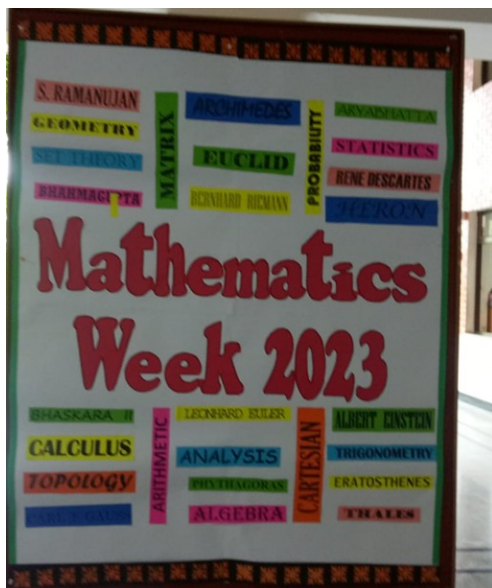

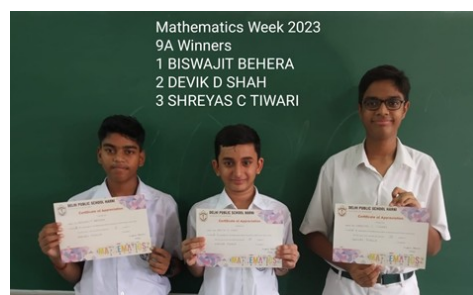

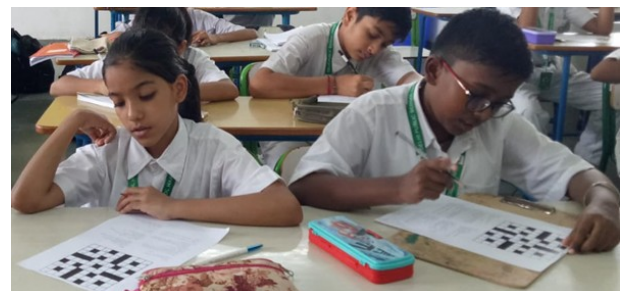

The students from Primary section also participated in the mathematics week assembly to showcase on stage the beauty of Mathematics.

Firstly, the students jived on stage to the beat of the 'number song' !

And finally,
A tribute to the great Srinivasa Ramanujan was paid through an exhilarating dance performance !

Mathematics Week
class 8 B winners
1 SARGI PRAVIN VARADE
2 HET J THAKKAR
3 HARSHVARDHAN R JAIN

Mathematics Week 2023
9A Winners
1 BISWAJIT BEHERA
2 DEVIK D SHAH
3 SHREYAS C TIWARI

Mathematics Week 2023
10C Winners
1 AARYA UPASANI
2 SHIVANSHI R BACHANI
3 MITANSH SINGH

Maths Week Winners List

Information Technology Week 2023-24

5 to 11 July 2023

DPS Harni, proudly conducted IT Week 2023-2024 in the month of July to celebrate the use of technology in all spheres of life, spread awareness about the technological intervention that has become an inalienable part of us and make students', The Future of India, focal point of this computer technology related advancement.

IT Week celebrations aims to foster love for technology, enhances creativity and promotes problem solving ability in students which provides an avenue for self expression and knowledge exploration. It helps in allowing students to gain self-confidence, learn future skills and develops team spirit and respect & understanding towards the idea of working together.

To achieve such aim, IT week celebrations undertook many activities including projects with a view to provide equal opportunities to all learners. It has have been conducted in the classrooms, labs and open area. List of various activities are as follows:

Classes	Activities
I	Draw and color on A4 sheet
II	Draw and color in TUX Paint
III	Draw and color in MS Paint
IV	Make an invitation card in MS Word
V	Make a poster in MS Word
VI	Designing Book Cover Page in MS Word
VII	Short Movie Making using Windows Movie Maker
VIII	Web Page Content Designing using HTML
IX	Algorithm and Flowchart
	Demonstration of AI Smart Projects
X	E-advertise or Brochure Making using Open Office Writer
XI	Programming in Python
XII	Programming in Python

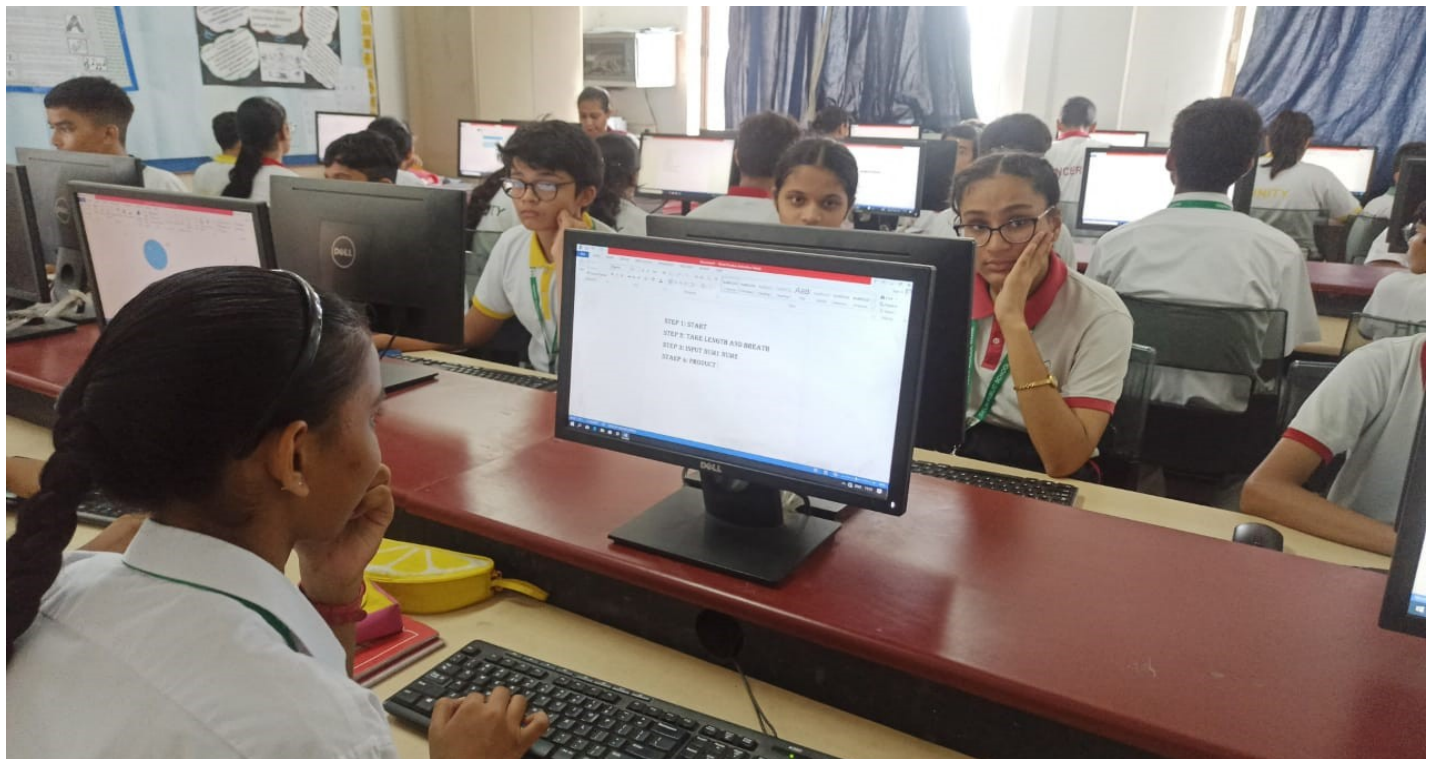

Students from Primary section actively took part in drawing on paper, software like TUX paint and MS Paint and they also enthusiastically created invitation and poster using MS Word on the topics given on spot during the activity.

Students from Primary Section also took in special IT week assembly to spread awareness about computer technologies at present and in future.

Students from Secondary section took part in variety of engaging activity designed to create joyful learning experience and love for technological tools which can be used for different purposes like designing cover page in MS Word, movie making and animation in Windows Movie Maker, Web Content Designing using HTML, Problem Solving and Programming using Python Programming Language

Students also engaged themselves in active demonstration and discussion with all classes including primary and secondary, on smart projects' 3D board models which incorporate use of AI and IoT and various other modern day technologies to show a glimpse of future reality. Proximity Sensor, Parking Counter, Alarm, IoT enabled Home and shopping assistant robot were future technologies shown during IT Week 2023-2024.

Students from Secondary Section also took in special IT week assembly to spread awareness about computer technologies at present and in future.

ACHIEVEMENTS

DPS Harni who participated in the Gujarat State Open Karate Championship 2023 held on 7th, 8th and 9th July 2023 at Yugpurush sports complex, Anand. The championship was organized by “Karate do Federation Gujarat” recognized by Ministry of Youth Affairs and Sports, Government of Gujarat.

Here are the participants of our school's karate team.

1. Adwika chandra.

She won Gold medal and selected for Nations at Goa.

2. Aastha Ravindrakumar Mugale – 9 B

She won Bronze medal in kumite event

3. Kanish Chandresh Singh – 10 B

The participants from Delhi Public School Harni demonstrated exceptional skills and determination throughout the State Level Karate Championship.

Subroto Mukerji Football Tournament was organised by sports authority of India at Manjalpur sports complex on 18 to 23 July. Total 17 teams of Vadodara participated in this tournament. Delhi Public School Harni participated in under 14 boys football team and secured the runners up position.

DPS Harni participated in the 10th Ohstuka Karate Cup (State Level Karate Championship) held on 2nd July 2023 at DPS Harni, Vadodara, Gujarat. . The championship was organized by “International Wado Federation India” at DPS Harni, Vadodara on 2nd July 2023.

The participants from Delhi Public School Harni demonstrated exceptional skills and determination throughout the State Level Karate Championship. The collective performance of the DPS Harni karate team was commendable. Our students displayed great sportsmanship, discipline, and dedication, reflecting the values instilled by our school. Their participation in the State Level Karate Championship has contributed significantly to the reputation of our school in the field of martial arts. Here are the achievements of our school's karate team

SOHA - EXHIBITION

As we move forward close to 2030, the target date set by the United Nations to achieve the Sustainable Development Goals (SDG's) , it has become increasingly crucial that people of all walks of life work hand in hand to create a sustainable future for Mankind.

As an effort towards this mission Delhi Public School Harni, hosted the " SOHA " exhibition - "Seeds of Hope and Action" in collaboration with the Soka Gakkai from 25 to 27 July 2023 on the school campus .The students of Delhi public school Harni presented the panels to the guests, parents , including students from other schools . The exhibition focussed upon the spirit and objectives of the SDG's towards creating a peaceful and sustainable world where "No one is Left behind", the prime objective of the United Nations organisation.

The exhibition was inaugurated by the Dr. Sudhir Joshi, Ms Tinno Chawla , Ms. Preeti Patel Ms Rajasi Rastogi and Ms. Rhythm Rastogi ,who have worked at the grass root level towards conservation of the environment and community awareness programmes towards sustainable living. This exhibition has been conducted by several schools colleges and universities all over the nation.

It is a matter of pride that Vadodara was the first city in Gujarat to host this event.

ATL

Today 4th July 2023, Tuesday ATL Mentoring session was conducted at DPS Harni by Dr. Sudhir Joshi, Regional Mentor by Atal Innovation Mission.

Dr Sudhir Joshi addressed the registered students of ATL Tinkerpreneur 2023 of classes VI to X.

He motivated the students and explained the importance of taking part in the Tinkerpreneur programme. He made student groups of interested areas (Robotics, Innovation, Creativity, Social media).:

ATL has successfully conducted a Basic Electronic session on 8 July and students learnt :

1. Basics of Electronics and the difference between Electrical and Electronics.
2. Essential electronic components and safety measures.
3. Draw circuits on paper.

Environment- A boon to us

*Environment is a boon given by God to us,
But we are destroying it by driving cars and bus.
It contains a variety of things like animals, wildlife, plants and flowers,
But we should know that it takes thousands of years to be repaired and
not just few hours.*

*To make our planet earth fully green,
We should always try to keep it clean.
Sometimes for a few minutes I wonder,
That destroying Environment will be a big blunder.
We should always try to save environment,
As it protects us in many ways just like a tent.
We must take some steps to protect the Earth,
Only then we will be able to prove our worth.*

A Little Love

*I wish I had realized how it was,
I wish I knew everything that was to happen.*

*Never would I have gotten hurt,
Only if I had known this was to happen*

*'We care for you' they said
But somewhere deep down it felt untrue.*

*'We love you' they said
Oh, how hard did I wish for it to be true.
All that I yearned for was just a bit love
Love, from those who I cared for.*

*Call me selfish, for all I care
The only thing I needed was a little love.*

*Everybody has things
They wish to never recall.
But into each life
Some rain is meant to fall.....*
